

# Quick Guide to Easy Healthcare Advocacy

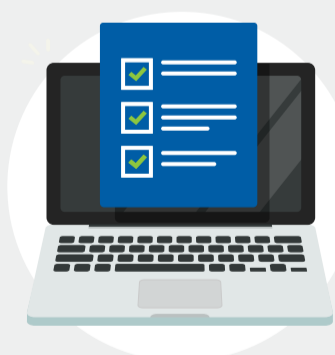

Healthcare Advocacy creates a positive impact on the business of healthcare and makes a critical difference in our industry at state and federal levels.

**How?** By giving physicians and healthcare administrators a voice, with an easy platform to make their voice heard.

As a **Zotec healthcare advocate**, you can directly:

You can create positive change in three easy steps:

**01** Visit [zotecpac.com](http://zotecpac.com) and become an advocate by submitting your information.

**02** Once you sign up, you'll receive legislative action items in your inbox.

**03** Click on the issue, enter your information, and send a pre-written communication directly to state and federal legislators in just one click.

**It is that easy to take action for your healthcare business.**

Sign up today at [zotecpac.com](http://zotecpac.com) and join thousands of Zotec advocates to protect the business of healthcare.
